Vox T5	20	IEM Tail	SM58	S8-3
Vox Mr. Zombie Backup	21	IEM Tail	SM58	S8-3

NOTES:

DRMn carries our own IEM rig. We will hand you 50' tails with all channels EXCEPT for "House Provides" channels.

Mr. Zombie requires a HOUSE PROVIDED AND MIXED MONITOR SYSTEM. The rest of the band utilizes wireless IEM's.

All "IEM Tail" splits are transformer isolated.
